Standard Industrial Classification Australia

If there's a market out there we'll help you find it!

At D&B we help you identify and contact business and professional markets.

Our database coverage includes every significant business in Australia, and our global reach exceeds 100 million businesses worldwide.

Our Australian business, government and professional database resources include:

Business Who's Who of Australia Database

- ▶ A superbly detailed database of approximately 38,000 of Australia's largest businesses and the basis of the well known directory. A vast range of selections and executive titles are available.

Dunsfile Database

- ▶ Australia's best known marketing database covering approximately 345,000 active businesses. Widely used in direct mail, market research and direct marketing, Dunsfile can be segmented in many ways and provided in formats and data packages tailored to suit your needs.

Worldbase

- ▶ The D&B global resource totalling over 100 million businesses. Segment by size, industry, country and family tree relationship.
