

# DUNS® Number Application Form

The D&B D-U-N-S Number, the Data Universal Numbering System, has become the standard for keeping track on over 85 million businesses worldwide. It's a nine-digit code which provides unique identifiers of single business entities, while linking corporate family structures together. D&B links the D&B D-U-N-S Numbers of parents, subsidiaries, headquarters and branches on more than 7.7 million corporate family members around the world. Used by the world's most influential standards-setting organisations, it is recognised, recommended and/or required by more than 50 global, industry and trade associations, including the United Nations, the European Commission, the U.S. Federal Government and the Australian Government. Once a number has been allocated to a business, it can be used to identify and link millions of companies worldwide.
